

Role: Fundraising Researcher

We are looking for enthusiastic and committed volunteers to contribute their experience to our fundraising/income-generating activities. This is a great opportunity to develop research skills and to contribute to identifying new and developing existing opportunities. Through this role you can help The No.1 Befriending Agency reduce loneliness and isolation.

The specific tasks for the role are:

- Supporting and contributing to the fundraising strategy
- Researching and identifying trust and grant opportunities
- Providing the team with accurate information about the application process
- Working closely with the team
- Thinking creatively to identify new ideas and opportunities
- Maintain and update database of fundraising contacts

Personal specification:

- Have strong organisational and research skills
- Excellent verbal and written communication skills
- Basic understanding of fundraising techniques and strategies (training will be provided)

Benefits:

- An opportunity to share the insight you have built from your experience
- An opportunity to volunteer on a flexible basis, including from home
- You will be provided with relevant information, training and regular support sessions so you can get the most out of volunteering with us
- Out of pocket and authorised expenses reimbursed
